

If you love me as your
pleasant notions show
no one but you my heart bestow,
It passes through my mind as
a theme, all day of thee, I think
all night of thee, I dream, -
Miss Fannie I have not had
time to go and see about your
pictures yet but I will go as soon
as I can and have them sent
to you or run them out of town,
I was sorry I did not get your letter
before I went to your city.

You say in your letter you want
one of my photos, if so I will
send you one soon and I can get some
of them ready, will send in next
letter, now love I hope you had
as nice a time as I did last Sunday, if so
we both enjoyed the day well, over

I have to go to Stephens again
soon - before you go to Texas, for sure,
I will go with you if I do not
have any work to do when you get
ready to go, you will not go and
stay away from one who dearly loves
you, Will you sweet heart,
I will have to close as I am
getting sleepy but not ^{so} tired that
I can't write to my sweet heart, true
will see about your pictures soon,
and send them to you.

I will close
hoping to find you as good looking
and as sweet as ever, } Good by
Sealed with a kiss } Loved one
until we meet

Your Own True Love
